North Kitsap Schools Foundation “MOR” for a Difference Featured Charity for September

Poulsbo, WA, August 16, 2008 – North Kitsap Schools Foundation has been selected as the September featured charity for Mor Mor Bistro’s “MOR” for a Difference Charity Lunches. Mor Mor will donate 5% of their total Wednesday lunch sales to North Kitsap Schools Foundation during September. As a bonus, Liberty Bay Auto will match the Mor Mor donation. Lunch service runs from 11am to 2pm.

Last year North Kitsap Schools Foundation (formerly North Kitsap Education Foundation) provided 16 grants, totaling nearly \$6,000, to North Kitsap School District teachers and staff for creative learning projects. Proceeds from this fundraiser will allow NKSF to continue to increase grant amounts for this program.

Mor Mor owner, Laura Nesby, said that helping local charities is one of the most important things they can do to help the community.

North Kitsap Schools Foundation, which is a non-profit, volunteer organization, was established in 2002 to promote and help fund the best possible learning opportunity for all students of the North Kitsap School District.
